Receipts of live stock at the Union Stock Yards for 24 hours-85 cattle, 728 hogs, and for the week 666 cattle and 5,194 hogs, a slight increase in cattle receipts and a gain of 551 hoge over previous week. The cattle market was again strong on good ripe grades. Poor and medium grades dull and weak. More fat butcher grades wanted. Stockers and feeders still in demand and selling at strong prices compared to other markets. Hog receipts fair for Saturday. Prices average strong with yesterday although eastern markets note a decline of 21-2 to 5 cents. The market closed a little weak.

9006 hogs and twenty four sheep, showing an increase for March, 1800, over the corresponding mouth of last year of 2614 cut the 1942 hogs and 233 sheep. How is this an increase for March, 1800, over the cor-responding month of last year of 2014 cuttle, 9424 hogs and 213 sheep. How is this for a showing on the future great live stock.

From the Daity Traile Bulletin: The experts of hog products, from the four Atlantic ports during the past week were 25,457,000 pounds against 15,144,000 pounds for the corresponding week in 1889.

The markets during the week have been very satisfactory to shippers and commis-sion men. Prices have ruled stronger on good cattle than for any week in the his-tory of the market. There has been an active demand and a strong competition between the buyers. There has not been good butcher's cattle enough to nearly supply the demand. The hog marker has ruled steady to strong. The receipts have been the largest for any, week in the his tory of the yards. The close looks a little weak for Monday but no serious breaks are looked for as the light runs to all markets will not admit of it.

Richard M. Neely, State Agent, Fibrility and Cassalty
Company, of New York, Leatenworth, Kan.
Dear Sir—While hunting near Sedan,
Kan., my left hand was shot off by the accidental discharge of a gun in the hands of
a friend. Seventeen days previously I had
taken an accident policy in the Fidelity
and Cassalty for \$10,000, being insured as a
physician. Notwithstanding my being in
a more hazardous occupation, (which by a
recent official ruling in a notorious mutual
concern would have barred me from any of
its se-called benefits (i)) the fiberal provissions of your policy protected me. While
\$1,332,33 is not an extraordinary large
stan, to me in my helpless condition it is a
very large one. I cannot forbear to express
my thanks for the pront manner in which
my claim was settled. You may rest assared that Fidelity and Cassalty will ever
have a warm spot in my memory and a
hearty commendation at all times.
Yours very truly.
